

Newlands EcoPass 2010

A 2010 Newlands EcoPass provides Merchant Discounts and unlimited RTD transportation (except Rockies, Broncos Ride, and AB airport \$5 surcharge) throughout the Denver metro area, including to DIA and Eldora.

To qualify, each block must raise monies per RTD's price zones (see FAQ on www.newlandsgreenlands.com for details). Most Newlands blocks qualify each year but some do not so it is important to **get your block involved early**. To check your block status or to volunteer to be a block leader, please visit: www.newlandsgreenlands.com or call ML at 303-443-1945.

To renew or obtain a Newlands EcoPass:

- Fill out the form below and include each person in your household who wants an EcoPass.
- Determine the cost of each pass based on how often and to which destinations each person rides RTD.
- Return the completed form with your payment (cash or check to 'Newlands Neighbors')

DEADLINE IS October 23rd IF YOU EXPECT TO GET YOUR DECAL BY YEARS END.

- Once we receive payment and your block has qualified, you can pick up or we mail your 2010 decal and, if necessary, the authorization form to get an ID. **Pick up date: Friday December 18, 5-8pm at 3183 8th street**

MERCHANT DISCOUNTS: Local discounts: <http://newlandsgreenlands.com/eco-pass>
 City-wide discounts: ECO PASS EXTRA: www.goboulder.net

Please pay your "fare" share

Pay the highest amount that describes you. For example, an adult who takes 1-2 trips/week but only goes to DIA twice a year, pays \$115 not \$65. The cost is prorated per month. So, for example, an adult who would usually pay \$115 pays \$58 if he buys his pass in July. Once your block has qualified: it is never too late to sign up!
